TurboCourt™ Site Chosen

TurboCourt™ Recognized as Best Fit Integrator by the Center for Digital Government

The Center for Digital Government awarded Intresys Honorable Mention in the prestigious Best Fit Integrators Award for the category "Applied Creativity and Elegant Design in Health and Human Services".

"This award recognizes TurboCourt™ as a leading and broad-based solution for addressing the online self-help constituency services needs of state and local governments, as well as the courts," noted Alex Zilberfayn, Vice-President, Intresys. "It illustrates our success in providing government agencies and courts with innovative web-based solutions for their real-world problems."

Intresys was the recipient of the award for their implementation of [TurboCourt™](#) for the Contra Costa County Department of Child Support Services IV-D (DCSS).

In addition, the County recently had Intresys expand the functionality of its TurboCourt™ implementation to enable the service for Spanish speaking clients of the online program including e-Filing. Both the English and Spanish versions of TurboCourt™ for DCSS are available statewide in California.

"TurboCourt™ has received numerous technology and innovation awards over the years," Mr. Zilberfayn continued. "As we continue to add to our underlying formidable technology and sophisticated design, we appreciate the recognition from institutions around the country".

TurboCourt™ California Child Support Services (IV-D) Now On-Line

TurboCourt™ helps clients complete forms needed to apply for child support services, request a modification in an existing case, or respond to an existing case. It can be used by both custodial and non-custodial parties.

Applicants can choose to electronically deliver their forms directly to the Agency for faster, more convenient service. Automated email notifications keep the applicant informed of the status of their application.

Options include:

- Establishing paternity

TurboCourt™ IV-D Site Chosen for Federal Certification

The California Department of Child Support Services chose Contra Costa LCSA who pioneered TurboCourt™ for IV-D as a site for federal certification of their CCSAS statewide case management system.

From the press release, "California's child support program is the nation's largest child support program and arguably one of the most complex."

TurboCourt™ has also **fostered a collaboration between the California courts and the Department of Child Support Services** where Domestic Relations court filers are directly linked to the Child Support application allowing them to immediately request IV-D services. And the data from TurboCourt's™ Family Law application is transferred to the Child Support application, speeding up the process.

About TurboCourt™

TurboCourt™ is a self-help web portal for documents preparation, assembly and e-Filing for self-represented litigants, businesses and attorneys.

The applications guide the user through a "virtual interview", providing lots of helpful information along the way.

Applicants can quickly and easily prepare their forms 24x7 from the convenience of their homes or any facility with Internet access.

TurboCourt™ is designed to be very easy to use, so even someone with little or no computer experience or knowledge of legal matters can go through the program without difficulty.

We service Child Support & Enforcement, Clerks of Court, Judiciary, Law Enforcement, and the Dept. of Homeland Security.

Current case types include: Child Support Services, Family Law, Domestic Violence, Landlord-Tenant, Small Claims, Guardianship/Probate, General Civil, Administrative and Sheriff's Civil Office.

TurboCourt™ is now fully integrated with TurboClerk™, the end to end paperless intake solution.

TurboCourt™ is a registered trademark of INTRESYS.
